

**Illinois Cash Rent Values and Index**

The U.S. Department of Agriculture estimates the average cash rent paid on Illinois farmland. Cash rents are reported on an average for the following state. The following table includes these cash rents. In 2010, the average cash rent was \$169 per acre, up 3.7% from the previous year.

The following table also includes an index. The index is calculated using 1994 as a base. The index number for 2010 is 170. The 170 index means that land values are 70% higher in 2010 than in 1994.

**Average Cash Rents and Index Values in Illinois<sup>1</sup>**

Year	Cash Rent	Percent Change	Index <sup>1</sup>
	(\$ per acre)		
1994	99.50		100
1995	99.70	0.2%	100
1996	106.00	6.3%	107
1997	109.00	2.8%	110
1998	111.00	1.8%	112
1999	111.00	0.0%	112
2000	119.00	7.2%	120
2001	119.00	0.0%	120
2002	122.00	2.5%	123
2003	123.00	0.8%	124
2004	126.00	2.4%	127
2005	129.00	2.4%	130
2006	132.00	2.3%	133
2007	141.00	6.8%	142
2008	163.00	15.6%	164
2009	163.00	0.0%	164
2010	169.00	3.7%	170
